Description: Acres of rolling hills peppered with mature oak trees set the mood for this Wine Country estate home. Multiple wood-burning fireplaces, inviting public rooms, a

chef's dream kitchen and an enticing master bathroom highlight this three-plus-bedroom home. Arches and sleek lines shape an interior graced by floor-to-ceiling windows, plaster walls and radiant heat flooring. The living room has one of the home's three fireplaces and sits opposite an open library with built-in shelves.
